ABOUT ME

Junior Full Stack Developer with experience in **PHP, TypeScript/Node.js and JavaScript**, API integrations and automated testing. Academic experience with **Java, Spring Boot and Angular**. CTeSP graduate and second-year Computer Engineering student at ISEP.

WORK EXPERIENCE

Junior Full Stack Developer - Escolhadigital **Mar 2026 - Jun 2026**

- Built a **Shopify/Excel integration app** (TypeScript, Node.js) with a configuration UI, OAuth 2.0, GraphQL and HMAC-validated webhooks.
- Implemented **product imports and validation** (ExcelJS, Zod), wrote Vitest tests and prepared Sage Intacct XML API integration.
- Developed **e-commerce business rules** (PHP, WordPress, WooCommerce) for weekly offers, employee benefits, purchase limits and deposit calculations.
- Built **dynamic catalog, cart and checkout features** (JavaScript, jQuery, AJAX) and a CTT API plugin for address autofill.
- Built a **Python REST-to-Excel prototype** (Requests, OpenPyXL) with editable prices, environment-based credentials and unittest tests.
- Maintained **PHP 8/CodeIgniter 3 apps**, fixed authentication issues and imported MySQL/MariaDB databases; deployed cPanel API fixes with backups and functional tests.

Computer Hardware Intern - PT REFURB **Jan 2024 - Jun 2024**

- Assembled and diagnosed computers, tested hardware and installed operating systems.

Restaurant Crew Member - Burger King Portugal **Mar 2025 - Jun 2026**

EDUCATION

Bachelor's Degree in Computer Engineering **2026 - Present**

Instituto Superior de Engenharia do Porto (ISEP) | Second year

- **Project: Java/Spring Boot/Angular** web platform for bookings, availability and calendar management.

Higher Technical Diploma (CTeSP) in Agile Software Development **2024 - 2026**

Instituto Superior de Engenharia do Porto (ISEP) | Completed

- **Project: Java/JavaFX** travel management app with authentication, user roles and external APIs.

Professional Diploma - Electronics, Automation and Computers **2021 - 2024**

Escola Profissional Gaia
